OWNER'S MANUAL

RPB90
PORTABLE OUTDOOR BLUETOOTH
SPEAKER

Thank you for purchasing this Rockville RPB90 Portable Outdoor Bluetooth Speaker.

Rockville created a line of Bluetooth speakers in many shapes and sizes. Each model is in a class of its own when compared with anything that looks similar on the market. For this item our goal was the longest battery life on the market, along with crystal clear sound.

The RPB90 is an extremely light-weight and portable Bluetooth speaker that has amazing sound and an amazing battery life. It is water resistant making it perfect for a shower, the beach, the pool, and many other applications.

Please read this guide carefully for proper use of your Rockville RPB90 Portable Outdoor Bluetooth Speaker. Should you need technical assistance please call our technical help line at 1-646-758-0144, Monday through Friday, 9am to 5pm EST.

ROCKVILLE

ATTENTION!

This device has an IPX4 waterproof rating. It can withstand light amounts of water such as raindrops, sprinkled water or low-impact water splashes. Please **DO NOT** put the speaker into water! The unit is waterproof but it is **NOT** resistant to being submerged in liquid.

3. Initial charge time is 5 – 6 hours. Normal charge time is 4 hours.
4. This unit has a low voltage alert that will sound every 60 seconds indicating that the battery has run out.

Troubleshooting

PROBLEM	SOLUTION
No Power	<ol style="list-style-type: none">1. Make sure the power switch is in the “ON” position.2. If using for the first time, charge the unit for 5 to 6 hours.3. If the unit has no power after continuous use, charge for 4 to 5 hours.
Bluetooth pairing fails	<ol style="list-style-type: none">1. Check to see that both devices are turned on and that your Bluetooth device is discoverable.2. Make sure you've selected the proper source.3. Make sure that the Bluetooth device is within 5 feet of the unit.4. Move both devices away from other Bluetooth devices such as microwaves, wireless routers, and other electronics.5. Make sure that the unit is not paired to a previously paired device.

FEDERAL COMMUNICATIONS COMMISSION COMPLIANCE INFORMATION

Responsible party name: Rockville

Address: 600 Bayview Ave,
Entrance A,
Inwood, NY 11096

Hereby declares that the product Rockville RPB90 portable outdoor Bluetooth speaker Bluetooth speaker complies with FCC rules as mentioned in the following paragraph:

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
