

### WHO READS MANUALS?

Instead, go to [vimeo.com/537408456](https://vimeo.com/537408456) or scan the QR code and watch a short video that shows you how to set this item up and how to use it.

**If you prefer written instructions, please read ahead!**

*With Rockville you get many options.*

**Missing items?** If you ordered a bundle that includes more than one product and you are missing part of your bundle then it just means your order shipped from two different warehouses. You will receive the remaining items very soon. If you have any concerns or inquiries, feel free to call our customer support center at 1-646-758-0144, Monday through Thursday, 9am to 10pm EST, and Fridays, 9am to 3pm EST.

### FUNCTIONS

1. Power switch
2. 1/4" TRS output jacks
3. 1/4" TRS input jacks
4. DC 12V input via AC/DC external adapter or 9V battery (compartment underneath).
5. Channel volume controls
6. Mic/Line switch: Allows you to use the channel for a microphone or a line level device.
7. Master volume controls: These controls adjust the volume of the A and B outputs. When set to Mono mode, each control adjusts all 8 of the output signals.
- Peak indicator LEDs: These pre master volume indicators light up when the corresponding input channels are 3dB below clipping.
8. Power LED indicator
9. Mono/Stereo button: In Stereo mode (up position), A inputs are mixed to the CH A output and B inputs are mixed to the CH B output. In Mono mode (down position), all A and B inputs are summed together and sent to CH A and B.

Thank you for purchasing this Rockville LINE8 V2 8 Channel Line/Mic Mixer.

We are proud to bring you what we consider to be one of the finest 8 channel mini mixers on the market. This unit is extremely portable and features a strong aluminum housing. The unit has 4 stereo or 8 mono channels via a stereo/mono switch. Each input channel has an individual volume control plus a volume control for each output channel.

Please read this guide carefully for proper use of your Rockville Line8. Should you need assistance please call our technical help line at 1-646-758-0144, Monday through Thursday, 9am to 10pm EST, and Fridays, 9am to 3pm EST.
