

ROCKVILLE

RV68.2C 6 x 8" 2-Way Component Kit Wiring Diagram

INSTALLING CROSSOVER

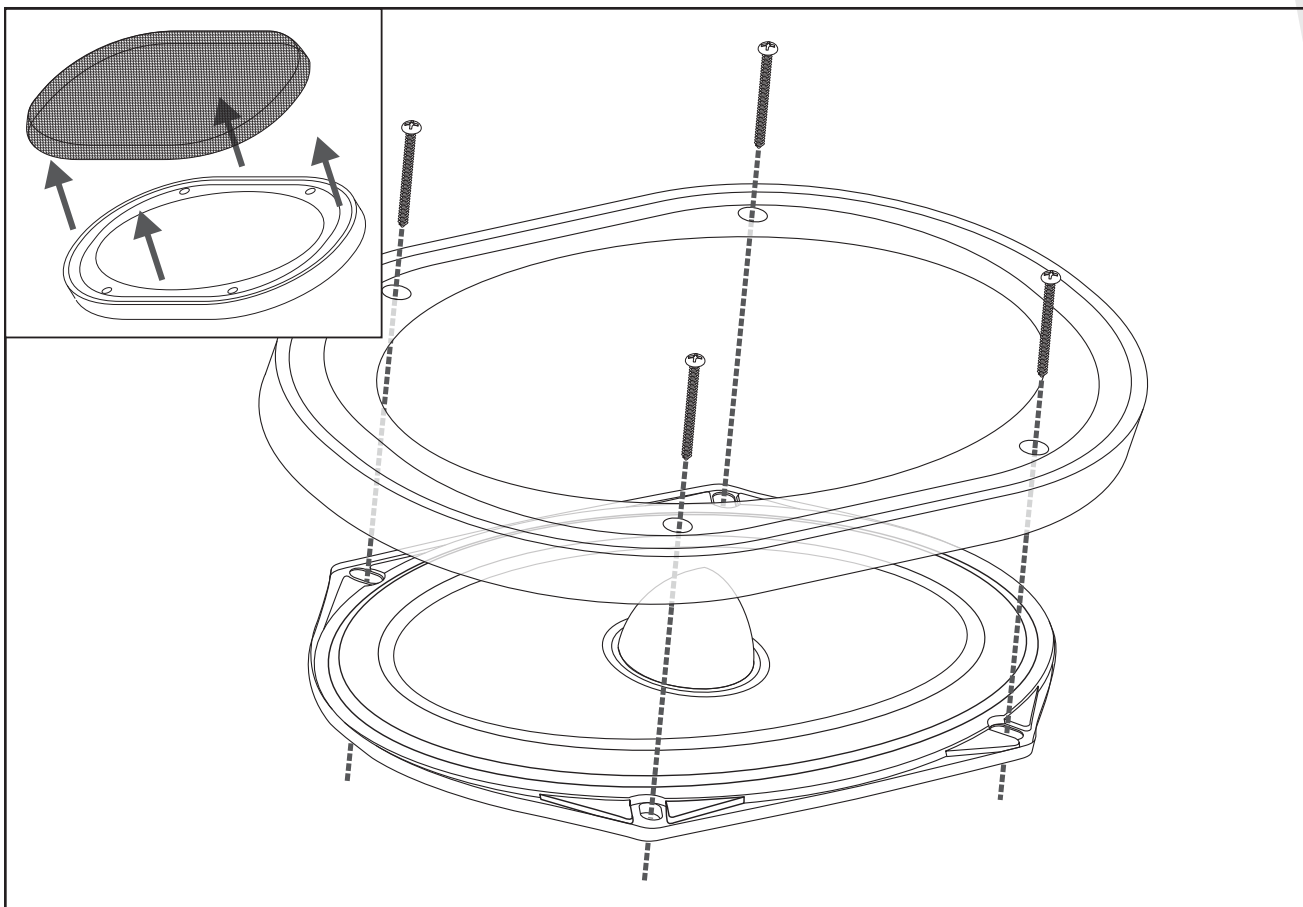

Remove the crossover's cover by pressing on either side of the cover and pulling up gently.

Use the included long screws to install the crossover as indicated in the illustration.

INSTALLING SPEAKER

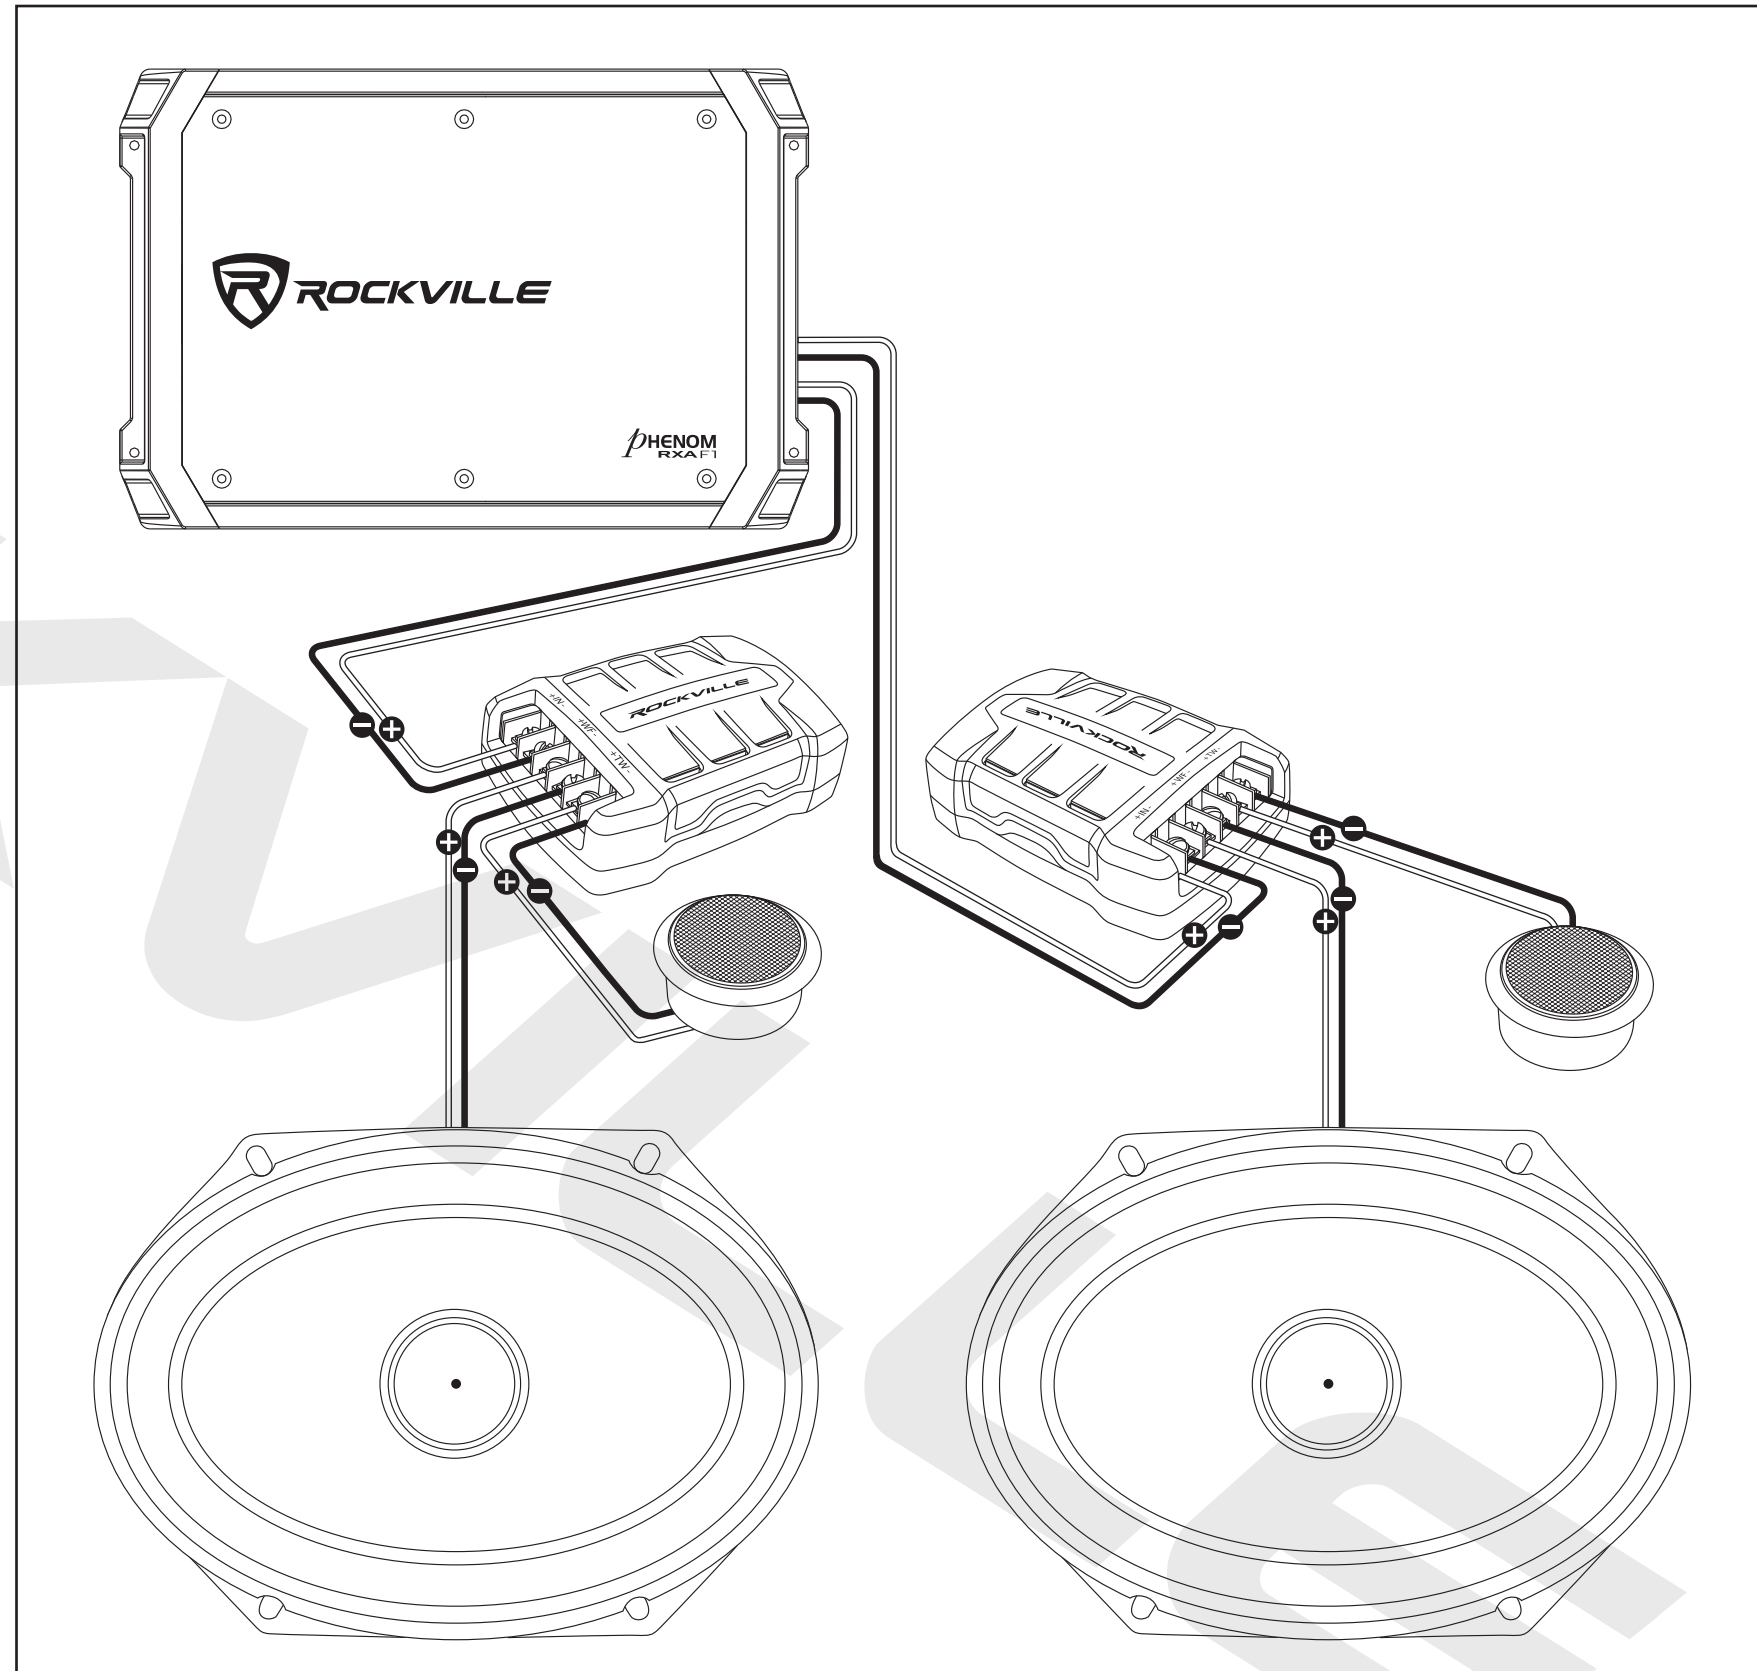

To install the speaker, remove the grille from the grille frame (see inset). Now, slide the long screws through the holes in the grill frame and through the corresponding holes in the speaker.

Thank you for purchasing this Rockville SKU. Please read this owner's manual carefully for proper use of your Rockville RV68.2C 6 x 8 2-Way Component Kit. Should you need assistance, please call our technical help line at 1-646-758-0144, 24 hours a day/7 days a week.
