

ROCKVILLE

RVMIC1

**Microphone Stand with Telescopic Boom
& Tripod Base**

RVMIC1

Our most popular stand, the RVMIC1 Telescoping Boom Microphone Stand, is made of composite steel & nylon and is virtually unbreakable. The RVMIC1 is fully adjustable (boom arm and stand) allowing the perfect length and height for any application. The boom arm is removable and the stand folds flat allowing for easy transport and storage. The stand also includes a detachable mic clip which will fit most standard wired microphones. With all these great features the RVMIC1 is a must have for every member of the band.

HEIGHT RANGE: 43 - 70 inches
BOOM LENGTH: 22 - 37 inches
LEG DIAMETER: 0.79 inches
LOWER TUBE DIAMETER: 0.79 inches
UPPER TUBE DIAMETER: 0.59 inches

LOWER BOOM DIAMETER: 0.79 inches
UPPER BOOM DIAMETER: 0.39 inches
CONSTRUCTION: Steel & Nylon
COLOR: Black

Thank you for purchasing this high quality microphone stand. Please read the owner's manual before assembling and be sure to use it properly. An accident or injury can result if the stand is incorrectly assembled or unspecified parts are used. After assembly, keep this manual where it can be consulted when necessary.

Using this product safely and properly

The indicator symbols shown below are used in this manual and on the stand to ensure proper and safe use of the product, to prevent injuries and avoid damage to surrounding items. Please become familiar with these symbols and their associated information before proceeding to the assembly instructions of this manual.

WARNING

This symbol indicates that death or serious injury may result from improper installation if this information is overlooked.

CAUTION

This symbol indicates that injury may result or damage to property could occur from improper installation if this information is overlooked.

WARNING

**Do not place this stand on a tall object or high shelf. If the stand were to fall, it could cause an injury.
DO NOT EXCEED INDICATED MAXIMUM WEIGHT CAPACITY.**

CAUTION

- This stand is meant for use with microphones ONLY. Do not use the stand for other purposes. Improper use of the stand may result in an unstable condition with the potential to cause an injury by falling.
- Assemble the stand on a level surface. Placing the stand on an uneven surface can lead to overturning and result in an injury.
- Do not place the stand where people regularly move past it. Bumping into the stand can cause an injury.
- Place the stand on a solid and level floor. Installing the stand in a location that is unstable can cause it to fall and result in an injury.
- Do not drop or drag the stand when assembling or transporting it. Pushing over or dragging the stand can result in an injury or cause damage to the floor.
- Do not climb onto or hang from the stand. Be especially careful about children trying to do this. If the stand falls over it can cause an injury.
- This stand is heavy, so be sure 2 or more people cooperate in unpacking or moving it. Improper lifting can cause a back injury and dropping the stand can injure feet.

Cautions for Use:

- (1) This is a stand for a microphone system. Avoid using the stand for other purposes.
- (2) The stand is very heavy. Use caution when handling it.
- (3) Place the stand on a solid and level floor. Do not place the stand in an unstable location.
- (4) Be careful not to tip over the stand.
- (5) If the stand becomes dirty, clean it by lightly wiping with a soft cloth and a neutral cleaning solution. Do not use a substance like thinner or benzene.

Thank you for purchasing a
