# WET PAR PRO Operating Instructions

Thank you for purchasing this Rockville WET PAR PRO. Please read these operating instructions carefully. Should you need assistance, please call our technical help line at 1-646-758-0144, 24 hours a day/7 days a week.

Settings

Press the MENU button repeatedly to cycle through modes. Use the UP and DOWN buttons to scroll through the options or numerical values for that setting. Press the ENTER button to save your selection. If you press the ENTER button on any setting, the saved mode/settings/values will remain in place even after powering off the unit and will be the default when you power the unit back on.
