TRUE WIRELESS STEREO IN-EAR  
HEADPHONES w/CHARGING CASE

Please read this guide carefully for proper use of your Rockville iRock True Wireless Stereo In-Ear Headphones. Should you need technical assistance please call our technical help line at 1-646-758-0144, Monday through Friday, 9am to 5pm EST.

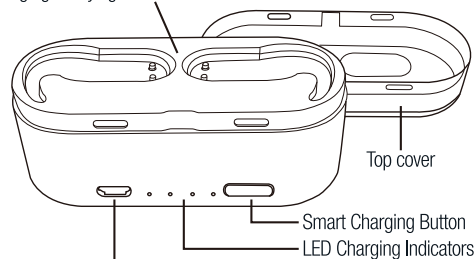

**PLEASE NOTE: Be sure to remove the plastic film covering the earbud's charging jacks before charging.**

## **INCLUDES**

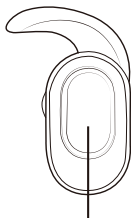

- iRock Bluetooth Earbud
- Ear Tips (Small, Medium, and Large Size) x 3
- Ear Hooks (Small, Medium, and Large Size) x 3
- Micro USB Charging Cable x 1
- Charging Case x 1
- User Manual

## OVERVIEW

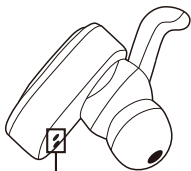

Charging/Carrying case

Micro USB Charging port  
(on the rear of the power bank)

Multi-Function Button (MFB)

Charging jacks

**PLEASE NOTE: Be sure to remove the protective plastic film before charging.**

## OPERATION

**Power On:** Press the Multi-Function Button (MFB) on each earbud for 2 seconds. The LED indicator on the earbuds will flash blue and you will hear a tone.

**Power Off:** Press the Multi-Function Button (MFB) on either earbud for 5 seconds. The LED indicator will flash red and you will hear a tone. This will power off both earbuds.

**Pairing Earbuds to Each Other:** The earbuds will pair to each other automatically. When successfully paired, one unit's LED indicator will flash blue, the other unit's LED indicator will flash red and blue alternately.

**Pairing to Phone:** Once powered on and paired to each other, the earbuds will automatically enter pairing mode (you can also pair them separately). The LED indicator will flash blue. Select iRock from your phone's list of available devices. If you are prompted for a pairing code, use: 0000.

**Powering On/Pairing a Single Earbud:** For the left earbud (main unit), press the MFB for 2 seconds until the LED indicator flashes blue and you hear a tone. The unit will enter pairing mode automatically. Follow the Pairing to Phone section above. To power on/pair the right earbud, press the MFB button for 5 seconds until the LED indicator flashes red and blue. You will hear a tone and the unit will automatically enter pairing mode. Follow the Pairing to Phone section above.

**SiRi Function:** Hold the left earbud MFB for 3 seconds to activate SiRi.

**Answering/Ending Calls:** Press the MFB once to answer incoming calls or to end the conversation. Press for 3 seconds to reject calls. Please note that only the left earbud will function during phone calls.

**Rejecting Calls:** Press the MFB 1 – 2 seconds to reject incoming calls.  
**Pause/Play/Tracks:** Press the MFB once to pause or play music. Please note both earbuds have the same function. Double click for next song.

## CHARGING

To recharge your iRock earbuds, place them in the charging case. Press the Smart Charge button to begin charging. Smart charge ensures that charging of the earbuds will not stop until they are fully charged. During charging the LED indicator will shine red. Once the earbuds are fully charged the LED indicator will turn off. Charging time is 1.5 to 2 hours.

To charge the power bank connect the included micro USB cable to the USB port at the rear of the power bank. Connect the other end to a computer or AC adapter (not included). Charging time is 1.5 hours. The charging voltage is 5V/1A.

There are four LEDs on the case that will illuminate indicating the status of the battery:

| LED | BATTERY CHARGE STATUS |
|-----|-----------------------|
| 1   | 25%                   |
| 2   | 50%                   |
| 3   | 75%                   |
| 4   | 100%                  |

## FEATURES

- **Rockville Engineering:** These have incredible bass, mids and highs. We tuned these to sound good for any music type from hip hop, to rock, or even classic. The frequency curve is very flat with the bass slightly boosted. You can expect no noticeable distortion even at high volume.
- **Secure Fit With Flexible Ear Loops:** Our secure fit earbuds stay in your ear even when running, lifting weights, or doing other activities. Flexible silicone ear loops provides superior comfort.
- **Sweat Resistant:** These earbuds are resistant to sweat and will not get damaged from active use.
- **Bluetooth 4.2:** Features the latest Bluetooth 4.2 technology with a range of 33 feet which makes them perfect for listening to music, and even taking hands-free phone calls.
- **Crazy Long Battery Life:** The earbuds have a playback time of 2.5 hours at full volume and 3.5 hours at low to mid volume. The power bank holds 4.5 full charge cycles for up to 16 hours at low to mid volume.
- **Skype Compatible:** These earbuds feature a built-in microphone making them perfect for Skype calls.
